

U.S. Department of Homeland Security and Dakota County Technical College requires international students to have the financial means to study in the United States. **You are responsible for demonstrating you have sufficient funds to meet all educational and personal expenses for the duration of your F-1 status at the college.** You must fill out all the information on this form before DCTC will issue you an I-20. Although DCTC is not requiring supporting documents, you will need to provide proof of financial support when meeting with U.S. embassy or consulate officials.

You must certify that you have at least the amount necessary to cover your tuition, fees, and living expenses for your first academic year (12 months). If you bring your spouse or other dependents with you to the United States, you must certify that you have the additional amount necessary to cover these costs.

Complete this form carefully to avoid lengthy delays that may affect your academic plans. We will return forms that are incomplete or that do not show adequate financial resources. Do not send bank statements.
