I understand: I cannot receive financial aid at two schools during the same term. I need to obtain the approval of my registrar/academic adviser for the consortium course(s). Enrollment in extended terms and/or correspondence courses may have an impact on my financial aid. I will attach a copy of my registration at the host (second) institution to this form and I will attach a paid fee statement of the courses(s). The consortium course(s), if approved, will be included in measuring Satisfactory Academic Progress at my home institution. I cannot change my enrollment without notifying the Financial Aid Office at my home institution. I will provide an academic transcript from the host institution at my home institution once the term covered by the financial aid consortium agreement has concluded, prior to receiving financial assistance for the following term.
