

MANAGEMENT FOR TECHNICAL PROFESSIONALS

Delivery: Daytime, Evening or Online Program
 Start: Fall, Spring or Summer Semester, Full- or Part-Time
 Location: Apple Valley Site

Outcome

Management for Technical Professionals A.A.S. Degree . . . 64 credits

Major Description

Highly individualized based on a student's technical expertise and educational needs, this program provides the necessary skills to succeed in leadership positions or enhance career mobility. Students who do not have experience in a technical field should consider the Supervisory Management program.

Work Environment

Working conditions in technical management positions are typically similar to office team settings. Technical professionals fill supervisory and middle management roles in companies and corporations.

Potential Job Titles

- Production Supervisor
- Crew Chief
- Facility Manager
- Line Supervisor
- Maintenance Manager
- Manufacturing Supervisor

Salary Data

- Average Wage: \$27.61/hour
- Top Earners: \$39.38/hour
