Enrollment and Quick Facts

Enrollment and institutional summary data, including five-year trend. Fall and spring enrollment data is based on 10th day records, summer enrollment data is based on final record. Campus and financial aid application data is as of the 10th day, fall only. Course and credit data is as of the time of the data pull. Persistence and retention data is as of the beginning of the term; transfer, completion, and success are as of the end of the term. Five-year change is calculated across six semesters, i.e. summer/fall/spring FY 2019 to summer/fall/spring FY 2024. All data is pulled each time the report is updated, because records do not fully freeze there may be changes compared to previously published reports. Questions about this report should be directed to IRO@inverhills.edu.
