SPRING TEAS PREP CLASS

The Test of Essential Academic Skills (TEAS) is a required exam for entrance into many nursing programs. This TEAS Prep Class is designed to help students strengthen their reading, English, math, and science skills. This class will be held at Dakota County Technical College (1300 145th St. E. Rosemount, MN 55068) in the Center for Student Success, Room 2-102.

The TEAS has a heavy focus on biology, so this prep class will benefit students who have completed anatomy and physiology coursework, or will be registered for anatomy and physiology during spring semester. This class is recommended for students who have completed a majority of their required prerequisite courses.

Students will be required to take an assessment test on Tuesday, January 28th, 2020 OR Thursday, January 30th, 2020 from 2-5pm. The TEAS Prep Class will meet EVERY Tuesday and Thursday from 2-5pm beginning Tuesday, February 11th, 2020 until Thursday, April 16th, 2020.

- ❖ **Please note that no classes will be offered March 10th, March 12th, March 24th and March 26th.**

Students will need to purchase the current ATI TEAS Study Manual Sixth Edition for the class.
