Student Senate President

Recognition of Honor Students Mike Opp
Vice President of Academic and Student Affairs

Presentation of the Class of 2020 Mike Opp
Vice President of Academic and Student Affairs

Conferring of Degrees and DiplomasMichael Berndt
President

Due to the COVID-19 pandemic, Minnesota State canceled all in-person graduations including that of Dakota County Technical College. While it was not possible for the college community to celebrate our graduates in the traditional ways, DCTC made the decision to host a virtual ceremony.

The ceremony can be viewed at www.dctc.edu/academics/graduation.

2020 OUTSTANDING STUDENT AWARD

Each year DCTC recognizes outstanding graduates in honor of the college's former president, Dave Schroeder, who served from 1970-1999. Students are nominated by faculty and staff for their involvement and participation at the college, academic performance and service to the community.

SAKSHI SONEJI

INDIVIDUALIZED STUDIES GRADUATE

Sakshi Soneji, 17, came to the United States from her home in Dubai, a world-famous metropolis in the United Arab Emirates, in July 2019 with the goal to attend college.

A 2018 graduate The Oxford School in Dubai, Sakshi took on a range leadership roles in the DCTC campus community. She served as a student ambassador, Student Senate secretary, We:LEAD president and Campus Lions Club president. She also belonged to Phi Theta Kappa (PTK) and the Multicultural Student Leadership Association (MSLA).

As a member of LeadMN, Sakshi received the Mark M. Welter World Citizen Award and the Mark M. Welter 100% American Scholarship. She was honored at the LeadMN 13th Annual Scholarship Gala in January 2020.

"I will be transferring to Rutgers University-New Brunswick in fall 2020 to pursue my Bachelor of Arts in Political Science," Sakshi said. "After completing my bachelor's, I aspire to study law and become a corporate lawyer in New York City."

Sakshi is an only child. Her parents live in Dubai. "My father, Rajesh Soneji, is a regional manager in financial markets infrastructure," Sakshi said. "He handles Africa and Middle East at Standard Chartered Bank. My mother, Babita Soneji, is an accountant with fifteen years of work experience. She graduated from Mumbai University with a bachelor's degree in commerce in 1994."

In her free time, Sakshi enjoys reading, painting and photography. "In the near future, I would love to adopt puppies and take care of them," she said. Sakshi resides in Farmington, Minnesota.

2020 OUTSTANDING STUDENT AWARD

Each year DCTC recognizes outstanding graduates in honor of the college's former president, Dave Schroeder, who served from 1970-1999. Students are nominated by faculty and staff for their involvement and participation at the college, academic performance and service to the community.

ABIGAIL ANDERSON

EXECUTIVE ASSISTANT GRADUATE

Abigail Anderson, 22, was an exceptionally active student beyond the classroom, participating in Phi Theta Kappa, Campus Lions Club, Student Senate (two years as secretary), Multicultural Student Leadership Association (MSLA) and the college's Budget Committee. She was also a student ambassador, helping out during student orientations and campus tours as well as Enrollment Services and Student Life Center events. She is a Heart of a Leader intensive training graduate.

Abby's other extracurricular engagement included serving on the Activities Committee, assisting at a variety of campus events such as American Red Cross Blood Drives, Chili Cook Offs and Ready, Set, GO! As a member of the Creative Arts and Writing Club, Abby won third place and a \$100 prize in the 2017 DCTC Student Writing Competition with her short story, "Petals on Water"

Abby is certified in Microsoft Office Word 2016, PowerPoint 2016 and Excel 2019. She received a certificate of completion from the Career Leadership Academy.

Before enrolling at DCTC, Abby attended the Saint Paul Conservatory for Performing Artists her freshman and sophomore years. She graduated from Minnesota Connections Academy in 2015.

Abby completed an internship as an administrative assistant in Academic Affairs at DCTC. She now works as a student life assistant at the college. Her key duties include event planning, helping maintain cleanliness in the Student Life Center, and providing information to students, staff and guests with questions.

In her free time, Abby enjoys organizing and hanging out with her dog, a miniature schnauzer named Boo.

OUTSTANDING INSTRUCTOR

Recognizing DCTC instructors committed to ongoing excellence in education.

JUDY SUDDENDORF
INFORMATION SYSTEMS TECHNOLOGY
FACULTY

Judy Suddendorf is an instructor in three STEM Careers programs, Information Systems Management, Networking Administration and Software Development.

Judy began teaching at DCTC in August 1998. She has Master of Business Administration (M.B.A.) in Curriculum and Development in Software Applications from the University of Northern Iowa in Cedar Falls, Iowa, a Bachelor of Arts (B.A.) in Business Education and Coaching, also from UNI, and an Associate of Arts (A.A.) from Ellsworth Community College in Iowa Falls, Iowa.

Judy didn't initially choose IT—she was happy teaching business courses at Prairie High School in Iowa. When computers arrived in 1980, she helped write a grant to get PCs into her classroom.

"I am totally self-taught and there weren't any books back then," she said. "So I guess you could say I migrated into IT."

Judy follows a two-track approach to teaching. "One is covering the content, and the second is developing skills," she said. "I strive to make sure the students walk away with skills, which takes a lot of drill and practice. I want my students to recognize the value in attending my classes."

Originally from Postville, Iowa, Judy graduated in 1973 from MFL MarMac High School in Monona, Iowa. For family, she has one brother, one sister-in-law, four nephews and one niece. She loves dogs, but only has virtual ones currently.

In her free time, Judy enjoys working out and riding her road bike. "My goal is riding two thousand miles every summer, which I have completed in eighteen summers," she said. "I've been downhill skiing since I was fifteen."

OUTSTANDING INSTRUCTOR

Recognizing DCTC instructors committed to ongoing excellence in education.

ANDI FINK

GRAPHIC DESIGN TECHNOLOGY FACULTY

Andi Fink was surprised and honored to receive the award, noting that when she signed on to teach at DCTC, she never thought there were awards to be won.

“I love working with students who are just dipping their toes into design for the first time,” she said. “I love seeing the look on their faces as they start to connect the dots and feel the power of the knowledge they’ve gained at the school.”

Andi added that she feels privileged to be a part of each student’s educational journey. She also admires her DCTC colleagues for the expertise and dedication they bring to their profession.

Andi was born in Oregon and raised in Kansas City, Missouri. She is a graduate of Park Hill South High School in Riverside, a suburb of Kansas City, Class of 2010.

Andi has a Master of Arts (M.A.) in Visual and Performing Arts from the Minneapolis College of Art and Design (2016) and a Bachelor of Arts (B.A.) in Graphic Design and Photography from the University of Missouri–Columbia (2014). She has worked as a graphic designer and photographer at General Mills in Golden Valley, Minnesota, since 2016.

An accomplished entrepreneur, Andi owns and manages her own small business, Fink, providing a full range of design services.

In her free time, Andi likes playing Magic the Gathering and Dungeons & Dragons. She enjoys watching TV—“It’s the golden era of television, truly.” She also enjoys podcasts and gardening. Andi resides with her long-term partner and a small dog named Luna in St. Paul, Minnesota.

COMMENCEMENT TRADITIONS

A traditional academic procession introduces the commencement exercise. The procession is led by the faculty followed by the graduates.

The caps, gowns, and hoods worn at graduation ceremonies in American colleges are the direct descendants of the everyday costumes worn in the medieval universities of the 11th and 12th centuries. The wearing of distinctive apparel as an indication of scholarship and academic rank was adopted in the United States in the early 1900s.

The cap worn almost universally in processions is the Oxford cap, better known as the mortarboard. The mortarboard is square to symbolize a book. At Dakota County Technical College, it is tradition for students to wear the tassel at the right of the cap for the processional and during the awarding of diplomas. After all students have received their diplomas, the graduates, led by the president of the college, switch the tassel from right to left.

The style of the gown is significant. Graduates earning diplomas and associate or bachelor degrees wear gowns with long and pointed sleeves. The master's gown has a long closed sleeve, square at the end. The doctor's gown is characterized by a voluminous bell-shaped sleeve with three velvet bars. The colors of the bars are usually the colors of the academic discipline in which the degree is granted, but may be black.

In the United States, Pomp and Circumstance has come to be associated almost exclusively with the graduation ceremony. Originally titled Orchestral 39, the score was composed by Sir Edward Elgar in 1901, expressly for the coronation of Edward VII.

RECOGNITION OF HONOR STUDENTS

Phi Theta Kappa

Phi Theta Kappa (†) is an international honor society for two-year college students. † was established more than 70 years ago. It is an organization of academically achieving students dedicated to the four hallmarks: scholarship, leadership, service and fellowship. The Dakota County Technical College chapter, Beta Theta Tau, was proudly chartered on December 10, 1999. To be eligible for membership, a student must be currently enrolled, have accumulated 12 credits of course work that could be applied toward an associate degree, and have achieved a 3.5 or higher cumulative grade point average. Graduates who are Phi Theta Kappa members are listed in the program with † by their names.

Graduates with Distinction

Students graduating with a 4.0 G.P.A. as of the end of the most previous term are listed in this program with ** by their name.

Graduates with Honor

Students graduating with a 3.5 G.P.A. as of the end of the most previous term are listed in this program with * by their name.

Military Service

United States veterans and service members are identified by red, white and blue cords.

The students listed in this program are candidates for graduation. Diplomas will be sent in 10 -12 weeks to graduates who have completed all their requirements.
