Due to ongoing COVID 19 transmission concerns, Dakota County Technical College made the decision
to host a virtual ceremony.
The ceremony can be viewed at www.dctc.edu/academics/graduation.
2021 OUTSTANDING STUDENT AWARD

Each year DCTC recognizes outstanding graduates in honor of the college’s former president, Dave Schroeder, who served from 1970–1999. Students are nominated by faculty and staff for their involvement and participation at the college, academic performance and service to the community.

EMILY GRACE SWANSON
MEDICAL ADMINISTRATIVE SPECIALIST GRADUATE

Emily Grace Swanson, a Phi Theta Kappa scholar at Dakota County Technical College, has received the 2020–2021 Dave Schroeder Outstanding Student Award. During her time at DCTC, Emily served as Student Senate vice president and participated in TRIO Student Support Services.

Emily was born with a severe birth defect called a congenital diaphragmatic hernia. Doctors did not think that she would survive. She was on life support and spent many intense months in the hospital. Emily went on to overcome life-threatening and seemingly insurmountable medical conditions throughout her lifetime. She has undergone 34 surgeries and 40 trips to the ER. She has been hospitalized 36 times for a total of 277 days.

An exceptionally engaged student, Emily belonged to Christians on Campus and Lions Club, volunteering to help out at events held by both student clubs. She served on the Auxiliary Committee and was the student representative on the DCTC Foundation Board. She represented DCTC students at multiple LeadMN leadership conferences.

Emily attended a variety of campus events, including the Healthy Knight 5K, Etiquette Luncheon, and Chili Cook-Off. She completed the Leadership Exploration and Development program with Strengths Based Leadership components, excelling as a 360 Degree Leader.

Emily made the President’s List three times, posting a 4.0 GPA during her last two semesters. Her community service includes volunteering at Gillette Children’s Specialty Care, Children’s Hospital in Minneapolis, Operation Christmas Child, Feed My Starving Children, Brainpower in a Backpack and her church summer day camp.
Ronnie Gaine, an esteemed former member of the campus community at Dakota County Technical College, has received the 2020–2021 Dave Schroeder Outstanding Student Award. Ronnie graduated with honors from DCTC in May 2020 with an Associate of Applied Science (A.A.S.) in Information Systems Management and a PC Technician certificate. He was on track to graduate in spring 2021 with an A.A.S. in Software Development. Ronnie passed away November 15, 2020, at the age of 52.

Ronnie worked on campus while going to college. He was a student ambassador and a student worker in the Testing Center. He also worked in other areas of the college’s Student Affairs division. He belonged to Phi Theta Kappa (his cumulative GPA was 3.58) and was an active member of Student Senate. He served on campus committees and frequently volunteered at campus events. During fall semester 2019, Ronnie received the Mark M. Welter World Citizen Award.

Known by everyone he encountered during his workday as kind, friendly, humble and welcoming, Ronnie enjoyed making origami artwork, which he shared with his peers and coworkers.

Originally from Barisal, Bangladesh, Ronnie earned a bachelor’s degree in Dhaka, the country’s capital, before moving to Japan, where he lived for seven years. He continued his studies in Singapore and eventually returned to Bangladesh to work in the corporate world. Ronnie got married to Ruth Sarker in 2001, and they moved to the United States in 2004. Ronnie and Ruth raised two daughters, Megan and Joan.
COMMENCEMENT TRADITIONS

A traditional academic procession introduces the commencement exercise. The procession is led by the faculty followed by the graduates.

The caps, gowns, and hoods worn at graduation ceremonies in American colleges are the direct descendants of the everyday costumes worn in the medieval universities of the 11th and 12th centuries. The wearing of distinctive apparel as an indication of scholarship and academic rank was adopted in the United States in the early 1900s.

The cap worn almost universally in processions is the Oxford cap, better known as the mortarboard. The mortarboard is square to symbolize a book. At Dakota County Technical College, it is tradition for students to wear the tassel at the right of the cap for the procession and during the awarding of diplomas. After all students have received their diplomas, the graduates, led by the president of the college, switch the tassel from right to left.

The style of the gown is significant. Graduates earning diplomas and associate or bachelor degrees wear gowns with long and pointed sleeves. The master’s gown has a long closed sleeve, square at the end. The doctor’s gown is characterized by a voluminous bell-shaped sleeve with three velvet bars. The colors of the bars are usually the colors of the academic discipline in which the degree is granted, but may be black.

In the United States, Pomp and Circumstance has come to be associated almost exclusively with the graduation ceremony. Originally titled Orchestral 39, the score was composed by Sir Edward Elgar in 1901, expressly for the coronation of Edward VII.

RECOGNITION OF HONOR STUDENTS

Phi Theta Kappa
Phi Theta Kappa (†) is an international honor society for two-year college students. Phi Theta Kappa was established more than 70 years ago. It is an organization of academically achieving students dedicated to the four hallmarks: scholarship, leadership, service and fellowship. The Dakota County Technical College chapter, Beta Theta Tau, was proudly chartered on December 10, 1999. To be eligible for membership, a student must be currently enrolled, have accumulated 12 credits of course work that could be applied toward an associate degree, and have achieved a 3.5 or higher cumulative grade point average. Graduates who are Phi Theta Kappa members are listed in the program with † by their names.

Graduates with Distinction
Students graduating with a 4.0 G.P.A. as of the end of the most previous term are listed in this program with ** by their name.

Graduates with Honor
Students graduating with a 3.5 G.P.A. as of the end of the most previous term are listed in this program with * by their name.

Military Service
United States veterans and service members are identified by red, white and blue cords.

The students listed in this program are candidates for graduation. Diplomas will be sent in 10 -12 weeks to graduates who have completed all their requirements.
