**Subject:** Follow-up to Chancellor's Email on Stay at Home Order

Students,

I want to follow up on the [Chancellor's message](#) from yesterday regarding Governor Walz's [Stay at Home](#) executive order. Our colleges fall under the higher education exemption and so our campuses continue to move forward as planned. Classes will resume Monday, March 30th with alternative modes of delivery for instruction and support services.

As we adjust to the current circumstances, please know that as the new president of Dakota County Technical College and Inver Hills Community College, I am here to support you as we navigate this new course together.

I know that we have a lot going on as students and personally. Please take the time to care for yourself. Reach out for help when you need support or assistance. Additional communications will be sent yet this week as we prepare to welcome you back on Monday.

Stay well!

Michael Berndt, President
