

# MN TRANSFER CURRICULUM - 2015-2016

The Minnesota Transfer Curriculum (MnTC) is the format in which general education is accomplished within the public two- and four-year colleges and universities in Minnesota. The MnTC defines a common curriculum format for general education. Completion of a defined MnTC course(s) at one institution enables a student to receive credit for lower-division general education MnTC coursework upon admission to other MnSCU colleges and universities and the University of Minnesota.

DCTC provides general education in the MnTC format and accepts MnTC courses from other MnSCU colleges and universities and from the University of Minnesota campuses.

Students who complete the entire general education transfer curriculum have shown competency in 10 goal areas. DCTC offers courses that meet all of the 10 goal areas. Students transferring these courses to other colleges transfer on a course-by-course basis. Courses approved for the Minnesota Transfer Curriculum are identified in DCTC publications by the MnTC goal number(s).

## **Transfer of MnTC Courses**

MnTC courses with a grade of D or better are eligible for transfer into DCTC. Such courses transfer according to the MnTC goal areas designated for them by the sending institutions. Completion of the entire goal at another MnSCU institution completes the goal at DCTC. Per MnSCU policy, a combined cumulative GPA (for both DCTC and transfer courses) of 2.0 or higher is required in order for DCTC verify completion of the Minnesota Transfer Curriculum.

## **GOAL 1 – Communication**

To develop writers and speakers who use the English language effectively and who read, write, speak and listen critically. As a base, all students should complete introductory communication requirements early in their collegiate studies. *MnTC completion requires three courses, one must be ENGL1150, and one SPEE.*

ENGL 1125 Business Writing
ENGL 1150 Composition I
ENGL 1200 Technical Writing
ENGL 1355 Critical Reading and Writing
ENGL 2000 Composition II
SPEE 1015 Fundamentals of Public Speaking
SPEE 1042 Small Group Communication
SPEE 1050 Nonverbal Communication

## **GOAL 2 – Critical Thinking**

Students will be able to gather and use factual information to make logical assumptions, interpretations or connections. Critical thinking will be taught and used throughout the general education and technical curriculum to develop student's awareness of their own thinking and problem-solving procedures. *This goal can be met in one of the following three ways: 1) by completion of one course; 2) by completion of Goal 1 and a technical program; 3) by completion of the entire MnTC.*

ENGL 1355 Critical Reading and Writing
INTS 1002 On Course
PHIL 1200 Critical Thinking
PHIL 1450 Philosophy of the Arts
PSYC 1105 General Psychology

### **GOAL 3 – Natural Sciences**

To improve students' understanding of natural science principles and of the methods of scientific inquiry, i.e., the ways in which scientists investigate natural science phenomena. By studying the problems that engage today's scientists, students learn to appreciate the importance of science in their lives and to understand the value of a scientific perspective. *MnTC Completion requires two courses of two different disciplines; at least one must be a lab course.*

BIOL 1110 Environmental Science
BIOL 1120 Minnesota Nature Study
BIOL 1310 Introduction to Anatomy and Physiology
BIOL 1400 Ecology Field Studies

BIOL 1200 Biology and Society
HIST 1400 American Environmental History
SOCY 1300 Introduction to Anthropology

## Minnesota Transfer Curriculum Completion

Completion of the Minnesota Transfer Curriculum (MnTC) may require additional courses beyond those required for the A.S., A.A.S., or diploma. If the intent is to transfer to another college, it is advisable to contact the transfer college for course selection recommendations and transfer admission process information. If a transfer college has not yet been identified, then use the Minnesota Transfer Curriculum courses listed on the following pages as a guide for course selection.

Successful completion of at least 40 credits within the accepted 10 goal areas, as outlined below, constitutes completion of the Minnesota Transfer Curriculum at DCTC. The goal area completion requirement is listed in italic text after the goal area descriptive paragraph. Notation of MnTC completion can be added to a student's transcript upon request after completion.
