AWARDS

Web Design Certificate20 cr.

MAJOR DESCRIPTION

As a one year, in-class or fully-online program, this certificate emphasizes web page architecture for the graphic designer or those looking for basic web design skills. User interface design concepts, HTML/CSS/JavaScript Bootstrap framework, and Content Management Systems such as WordPress are used to create attractive and functional web sites. Image creation and optimization, basic 2D and 3D animation, and audio and video editing for web content are also taught for a complete foundational set of web design skills.

WORK ENVIRONMENT

Like graphic designers and desktop publishers, web designers usually work in comfortable office environments. They frequently adhere to strict deadlines and spend considerable time seated before computer monitors.
