Employer: ScribeAmerica

Employer Profile: ScribeAmerica is the nation's most frequently used medical scribe company with more than 11,000 employees across the US providing professional services for over 1,200 clients. We invest heavily in the professional development of our scribes by providing them with unique resources such as the industry's only academic textbook, paid attendance to our national scribe leadership conference, online education, networking opportunities through social media, and development of the ScribeAmerica Mobile Scribe App(tm). We are ranked on the Inc. 5000 list five years in a row for fastest growing private companies. Our clients have benefited too, having received the prestigious Press Ganey Summit and Stuart Fleming Patient Safety awards.

Type of Employer: Healthcare / Medical

Part-Time: The central role of the Medical Scribe is to relieve the physician of clerical or secretarial duties; thus allowing the physician to focus more directly on clinical care. The scribe is an unlicensed person and exclusively non-clinical. They do not touch patients and do not engage in any type of patient care. A scribe's role is limited to documentation and efficiency management for the physician. The scribe observes the physician during patient encounters and performs documentation on the physician's behalf. Under the direction of the physician, they enter information into the patient's electronic or written chart. All documentation is reviewed and edited by the physician. It is signed with an attestation by the provider that the scribed chart accurately reflects all work, treatment, procedures, and medical decision making performed by them.

Institution: Hamline University

Institution Profile: Hamline University is a private, liberal arts university located in St. Paul, MN. At Hamline, our mission is to create a diverse and collaborative community of learners dedicated to the development of students' knowledge, values, and skills for successful lives of leadership, scholarship, and service. Since 1854, Hamline has set the standard for excellence in a liberal arts education. Deeply rooted in justice, civic responsibility, and Methodist values, our liberal arts curriculum prepares students to think critically, develop a worldly perspective, and become creative problem solvers for the future. With more than 50 areas of study, students can pursue their passions, feed their curiosity, and focus on the issues that matter most to them. Whatever their field, they'll have limitless opportunities to take the initiative and contribute to the workplace, the community, and the world. The following are just a few of the many important facts about Hamline: 100% of students participate in internships, research, or service learning. 12:1 student/faculty ratio Students from 38 states & 35 countries 2,117 undergraduate students 1,668 graduate students Hamline paved the way for progress as the first university in Minnesota to open its doors to women and create an inclusive classroom. Like Emily and Elizabeth Sorin--Hamline's first graduates and the first college graduates in Minnesota--come be a trailblazer at Hamline!

College Transfer-Traditional: At Hamline you will join a diverse group of scholars driven by curiosity and collaboration. Nearly 23% of last year's graduates transferred from two- or four-year colleges or universities. Hamline also offers a two-year assurance of graduation for students with Associate of Arts degrees from regionally accredited colleges and universities. Transfer students can transfer in up to 64 credits towards the completion of your bachelor degree. An official credit evaluation is completed upon admission to Hamline. Transfer students are also eligible to receive merit scholarships of up to \$22,000; a \$2,000 scholarship for Phi Theta Kappa students; and/or a Hamline Firsts scholarships, for those students whom neither parent has their four-year degree (\$3,000). Admitted students can also apply for talent scholarships in several areas. View our transfer application checklist here:
