ARCHITECTURAL STUDIO III — ARCT 2102

A. Course Description
   - Credits: 5.00
   - Lecture Hours/Week: 4.00
   - Lab Hours/Week: 1.00
   - OJT Hours/Week: 0
   - Prerequisites: None
   - Corequisites: None
   - MnTC Goals: None

   Students prepare architectural drawings for a multi-story building. This course builds upon the students' skills as they prepare construction drawings for more complex buildings. Work is done in a team environment to help understand firm culture and coordination. Emphasis is placed on the first three phases of design: Programming, SD, and DD phases.

B. Course Effective Dates: 8/26/19 – Present

C. Outline of Major Content Areas
   - As noted on course syllabus

D. Learning Outcomes
   1. Analyze programming requirements and incorporate those into building design
   2. Analyze site restrictions and location requirements
   3. Incorporate building code and accessibility guidelines into design of building
   4. Produce increasingly complex and detailed construction document drawings
   5. Work in a team environment with cooperation and communication as an emphasis

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies

F. Learner Outcomes Assessment
   - As noted on course syllabus

G. Special Information
   - None noted
