

Dakota County Technical College Foundation

ANNUAL CORPORATE SPONSOR PROGRAM

PARTNERS

building a better future

Almost one-third of students at DCTC are low-income, and many more encounter significant financial obstacles that threaten their ability to complete their academic programs. While the world is changing, the need for a solid educational foundation persists.

As a corporate sponsor, your generosity provides critical support for students, including scholarships, emergency grants, equipment, books, supplies, program support, and more. Your tax-deductible sponsorship fills workforce shortages and creates a community of support that surrounds students, helping them gain the education and skills needed to obtain living-wage careers.
