Inver Hills and DCTC partner to host Day of Service Oct. 9th

To give back to the communities that have supported their missions for more than 50 years, Inver Hills Community College (Inver Hills) and Dakota County Technical College (DCTC) have teamed up for a second Day of Service on Friday, October 9.

Students, employees, alumni, and community members are invited to join us to do a couple hours of good. Day of Service activities will run throughout the day, with a virtual kick-off being held at noon. Projects will be available on both campuses, as well in the community-at-large.

There will be indoor, outdoor projects, as well as opportunities for people with different physical abilities. Examples of service projects include: packing food at Feed My Starving Children, making cards for service members, yard clean up with Laura Baker Services, helping with a poetry project for the Minnesota Prison Writers' Workshop, fall crafts for residents at Timber Hills Presbyterian Homes and park clean up at Rock Island Swing Bridge Park.

If you have questions or concerns, please email Shannon Williams at swilliams@inverhills.edu.

Register individually or as a team by Sept. 28th at <https://oneboldfuture.com/event/day-of-service/>
