The Post-Secondary Enrollment Options (PSEO) program was established as a means to “promote rigorous educational pursuits and provide wider variety of options for students.” (Minnesota Statute 124D.09) Dakota County Technical College provides opportunities for students to participate in the PSEO program and has established specific criteria/requirements for enrollment into the program.

**Note:** You are not legally required to provide the information the college is requesting on the application; however the college may not be able to effectively process your application if you do not provide sufficient information. With some exceptions, unless you consent to further release of private information, access to this information will be limited to school officials, including faculty who have legitimate educational interests in the information. Under certain circumstances, federal and state laws authorize release of private information without your consent:

- to other schools in which you seek or intend to enroll, if you are first notified of the release;
- to federal, state, or local officials for purposes of program compliance, audit, or evaluation;
- as appropriate in connection with your application for, or receipt of, financial aid;
- to your parents, if your parents claim you as a dependent student for tax purposes;
- if the information is sought with a subpoena, court order, or otherwise permitted by other state or federal law, and
- to an institution engaged in educational research of an accrediting agency.
