

## Search for a course – Go to:

<https://eservices.minnstate.edu/registration/search/basic.html?campusid=211>

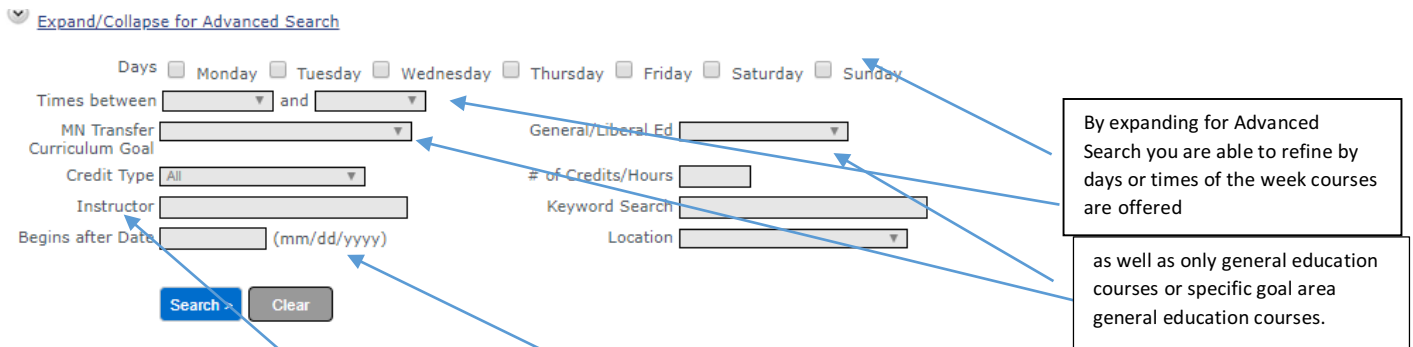

Choose the semester you would like to search

Then choose the subject you are looking for and press search. This will bring up all the options for that prefix.

To narrow your search, if you know which course number you are searching for you can enter that before search.

You can also narrow your search for only open courses and by delivery method.

You can also refine by instructor name or start date of a course.
